

Talon Range Applicant, Written Test

This is an open book test. Any materials are available, including the Waiver and Hold harmless agreement and the video. You must score 100% on this test to shoot at the Talon Range. If you print this test off the website, complete it and bring it with you to the range when you arrive. By signing the test form below, you are attesting to the fact you watched the videos in their entirety, read the proper waiver and completed the test yourself.

Circle the correct answer:

T	F	1. At the Talon Range, you should never point a firearm at anything you are not willing to destroy, this means that firearms should only be pointed downrange.
T	F	2. At the Talon Range, you should always treat all firearms as if they are loaded.
T	F	3. At the Talon Range, you should keep your finger off the trigger and outside the trigger guard until the sights are on target and the firearm is pointed safely downrange.
T	F	4. At the Talon Range you should ensure that all bullets fired strike the appropriate berm and not hit the ground or go over the berm itself.
T	F	5. It is ok to set up targets where you might shoot the actual target frame at the bottom of the targets.
T	F	6. If you are a member or shooter, you may drive in and go ahead and shoot without checking in at the Pro-Shop before taking a range.
T	F	7. It is against the rules to pick up brass on the range that you did not shoot.
T	F	8. By signing the Waiver, you are swearing that you are allowed, by law to possess a firearm and are not a convicted felon or have a domestic violence injunction against you, or are otherwise prohibited from possessing a firearm and that you are of sound mind and not a danger to yourself or others.
T	F	9. Staples are against the rules when attaching targets to backers, instead you should use tape, push pins or adhesive.
T	F	10. By signing the waiver and hold harmless agreement, you are agreeing that you will not file any legal action or suit against the Talon Range, Talon Training or any of our owners or agents.
T	F	11. Steel targets can be shot with rifles inside the 50 yard line.
T	F	12. The swinging targets on the pallets are for .22 caliber, rimfire cartridges only.
T	F	13. It is against the rules to handle firearms when someone has given the "Going Downrange" command and is downrange.
T	F	14. The range commands commonly used at the Talon Range are: "Range is going hot." "Range is clear." "Going downrange." and "Cease fire."
T	F	15. Children and pets should be under the immediate control of the member or guest at all times.

I have taken this open book test on my own and am attesting to the fact that I have watched the two videos and have read and understand the Waiver.
